

Trusted Shops License Conditions

Trusted Shops SE owns all existing intellectual property rights (including copyright, trademarks, design rights, rights in or relating to databases and rights in or relating to trade secrets) with regard to the Trusted Shops Brands, the Online System and all other protectable services supplied and licensed to the Member under the scope of this Membership Agreement.

The Trusted Shops trademarks include the Trusted Shops **own brands**, which Trusted Shops is exclusively entitled to use, as well as the Trusted Shops **license signs** listed below, which Trusted Shops grants its paying members (hereinafter Member or Members) to use in accordance with the Trusted Shops Membership Terms or users of the chargeable functions of the eTrusted platform (hereinafter referred to as Users), in compliance with the contractually agreed regulations and in each case in compliance with the following license conditions.

Besides, it is prohibited to use the Trusted Shops trademarks or to give the impression that an online presence has been checked by Trusted Shops. In particular, Trusted Shops does not grant Users of the free basic services any right to use the trademarks.

The rights of use set out below shall lapse as soon as and for as long as the Member/User fails to comply with one or more of the license conditions in relation to the booked online presence, is at least 7 days in default of payment despite a reminder, or the existing contract between Trusted Shops and the Member/User ends. Trusted Shops shall check the compliance of the Member/User at its reasonable discretion on an ongoing basis and by means of random checks. After termination of the contract, all references to the cooperation with Trusted Shops and the license signs used in accordance with this conditions must be removed.

1. Granting of the simple right of use regarding Trusted Shops Guarantee mark (Trustmark)

Trusted Shops grants to certified Members/Users a limited, revocable, non-exclusive and non-transferable right to use the Trusted Shops Trustmark on the Website(s), for which the Member/User ordered the Trustmark option
